**NATURE OF THE ACTION**

This is an action for: an incident that occurred on July 28, 2019 at the Albertsons LLC Grocery Store, located at 1940 Village Center Circle, Las Vegas, NV 89134 (the "Premises"). Plaintiff alleges that he slipped and fell on a wet, slippery substance on the floor of Defendant's property as he was shopping ("Subject Accident"). As a result of the slip and fall, Plaintiff Roberto Barrera allegedly sustained injuries and damages as indicated below.

**Plaintiff's Contentions:** Plaintiff contends on or around July 28, 2019, Plaintiff was lawfully on Defendant's property. Defendant maintains and was in control of the property. Plaintiff slipped and fell on

1 a wet, slippery substance on the floor of Defendant's property and was seriously injured. Plaintiff  
2 ultimately underwent a bilateral C3-4, C4-5, and L5-S1 epidural steroid injections in October 2019 and  
3 later an L3-4, L4-5, and L5-S1 discography in December 2020, but continues to treat for his injuries.  
4 Plaintiff also contends that Defendant's negligence was the actual proximate cause of Plaintiff's physical  
5 injuries. Finally, Plaintiff contends an incurred pecuniary loss, medical expenses, and pain and suffering as  
6 a result of the accident. Plaintiff will continue to accrue pain and suffering, and future medical bills.  
7

8 **Defendant's Contentions:** Defendant contends that it did not have actual or constructive notice of the wet  
9 substance on the floor as no one apprised Defendant of the condition and such condition did not exist when  
10 Defendant had performed its timely sweeps of the store to look for and clean up such potential conditions.  
11 Defendant further contends that Plaintiff's complained of injuries and past and future damages were not all  
12 caused by the Subject Accident.
